Population ³⁾	31 (Q3 11)				15 (Q4 11)		31 (Q1 12)			31 (Q2 12)		

Explanatory note:

- For every indicator, the day of the press release is given in the relevant month column.
- What is shown in the bracket below is the reference period (e.g. 01 12 = January 2012, Q2 12 = 2nd quarter of 2012).
- If the date is preceded by “ST” (*Schlussstermin* – no-later-than date), it is the latest possible date of publication. Those dates are concretised at the latest as part of the weekly preview on the Friday of the week preceding the ST date.

1) First provisional calculation.

2) Published by the Federal Ministry of Economics and Technology.

3) No publication in a press release. At the time specified, the data will be provided as part of the website content of the Federal Statistical Office.

4) The preliminary harmonised consumer price index was released on 1 February 2012.
